

HOLY SPIRIT 2018 SPECIAL COLLECTION

As we enter the last quarter of our fiscal year, our parish needs financial assistance with three key areas. Our collections this year have not kept up with our operating costs, and we have incurred several significant expenses in the last nine months.

BUILDING INFRASTRUCTURE UPKEEP: In the last few months, several building projects were completed to address failing equipment (Gym emergency exit doors, Gym HVAC, Boiler, Water Heater). While we raised \$78,750 toward these projects with our Gala and #iGiveCatholic efforts, the total cost of these projects was \$138,530 leaving a shortfall of **\$59,780**.

FLOOD MITIGATION PROJECTS: Our facility flooded three times during the summer of 2017 causing damage to St. Elizabeth Hall and the Gymnasium. We have completed several projects (gutters, landscaping, drainage) to reduce the likelihood of future flooding. These projects cost us **\$52,793**.

GUARDIAN ANGEL FUND: Holy Spirit Parish assists those who need help with School or School of Religion tuition. Regardless of our stage in life, we are all called to carry out the mission of the Church to educate future generations in the Catholic Faith. To date, we have granted \$123,840 in assistance while only raising \$34,321 through Gala and Guardian Angel envelope donations leaving a shortfall of **\$89,519**.

Please consider using the **PINK ENVELOPES** provided, going to our website www.hscatholic.org, or returning the form below with your donation to help us close our funding gap.

...So that all may gather here as family to worship, learn, and celebrate our Faith.
